

FOUND PET FORM

The Cedar Bend Humane Society is committed to helping reunite lost pets with their owners.

All stray animals found in Waterloo, Cedar Falls, and Black Hawk County can be brought directly to the Cedar Bend Humane Society at no cost. Please bring stray animals to the animal/stray intake building (surrounded by the white picket fence).

It is open seven days a week from 8:00 a.m. until 5:00 p.m.

Please call 319-232-6887 for more information.

If you choose to keep the animal while trying to find its owner, please complete a found pet report. Once you have completed the form, please email it and a photo to cbhs.intake@gmail.com. The information you provide will then be posted to the CBHS website for 30 days. **Please note: this includes your personal contact information unless you specify otherwise.** To fill out the form in person, you may visit our intake building at 1166 W. Airline Highway in Waterloo. In order to post this information in a timely manner, please do NOT mail us the form. Please let us know if you find the owner so we can take the information off our website.
